I'm Isjeanne, founder of Unicorn Beauty Hub. For over seven years I've worked hands-on in the beauty industry, building real expertise in lash lifting, brow lamination, waxing and tinting, and lash extensions in both classic and volume techniques. Now I'm opening the doors of my very first Training Academy, and I'd love for you to be part of it.

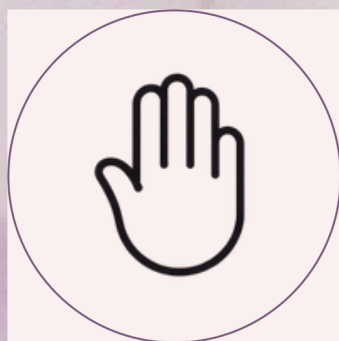

This portfolio walks you through every course I offer, exactly what's included, and what your training day will look like. My goal isn't just to teach you a technique, it's to send you out into the industry feeling confident, certified, and ready to build a business of your own.

- ✓ Small, personal, hands-on training. Never rushed. Never crowded
